Churchill Urges Action To Make Peace Body More Than Idle Name

LONDON, May 14.—(AP)—Prime Minister Churchill Sunday night called for action to make certain that the United Nations World Organization "does not become an idle name," and placed Great Britain shoulder to shoulder with the United States in the war against Japan.

Britain was her leader at the same time castigated the fire government of Eamon de Valera for its failure to aid Britain while Germany was attacking Britain. He said Britain would "have been forced to come to close quarters" with neutral East and West in the 1941 blockade, except for the friendship of the British Empire.

Mr. Churchill's 35-minute address to the Commonwealth, broadcast world-wide, lauded "the immense superiority of the power used by the United States in the defeat of Germany" and paid tribute to Gen. Eisenhower's leadership.

Warning Is Given Commonwealth

But he warned the Commonwealth: "You must not weaken in any way."

"On the continent of Europe we have yet to make sure that the simple and honorable purposes for which we entered the war are not brushed aside or overlooked in the months following our success, and that the words freedom, democracy and liberation are not distorted from their true meaning as we have understood them."

"There would be little use in punishing the Hitlerites for their crimes if law and justice did not rule and if totalitarian or police governments were to take the place of the German invaders."

"We seek nothing for ourselves. But we must make sure that those causes which we fought for find recognition at the peace table in fact as well as words, and above all we must labor that the world organization which the United Nations are creating at San Francisco does not become an idle name, does not become a shield for the strong and a mockery for the weak."

Must Be Worthy of Great Power

"It is the victors who must search their hearts in their glowing hours and be worthy by their nobility of the immense forces that they wield."

Mr. Churchill made no direct reference to an election to end Britain's wartime coalition government but indicated he felt his work had not been completed.

"I wish I could tell you that all our toils and troubles are over," he said. "Then indeed I could end my five years' service happily and if you thought you had had enough of me and that I ought to be put out to grass, I assure you I would take it with the best of grace."

He said: "We have received horrible injuries from the Japanese" and "we are the first of those of southern Ireland who have been loyal to the United States to fight this great war at the other end of the world at their side without flagging or faltering."

Reviewing his five years as Prime Minister and head of the war cabinet, Mr. Churchill said that during the dark days of 1941 the German blockade was so effective that the only route into England was between northern Ireland and Scotland, and added:

Scores Action by De Valera

"Owing to the action of Mr. de Valera, so much at variance with the tone and nature of those of southern Ireland who hastened to the battlefield to prove their ancient valor, the approaches which the southern Irish ports and airfields could so easily have guarded were closed by the hostile aircraft and U-boats."

"This was indeed a deadly moment in our life, and if it had not been for the loyalty and friendship of northern Ireland, we should have been forced to come to close quarters with Mr. de Valera or perish forever from the earth."

"However, with a restraint and poise to which, I say, history will find few parallels, His Majesty's government never laid a violent hand upon them, though at times it would have been quite easy and quite natural, but left the de Valera government to fettle with German and later with the Japanese representatives to their hearts' content."

He added, though, that "bitterness by Britain for the Irish role dies in the hearts of those of these last five years of Irish soldiers fighting for the Empire during the war."

Canada, Dominions Menaced by Japs

Mr. Churchill said "Australia, New Zealand and Canada were and are all directly menaced" by Japan. "They came to our aid in our dark times," he concluded, "and we must not leave unfinished any task which concerned their safety."

"I told you hard things at the beginning of these last five years. You did not shrink, and I should be unworthy of your confidence and generosity if I did not still cry."

"Forward unflinching, unswerving, indomitable till the whole task is done and the whole world is safe and clean!"

Mr. Churchill disclosed that by reeling the German army back on its heels the Allied armies saved London from perhaps its worst day since the new weapons last fell.

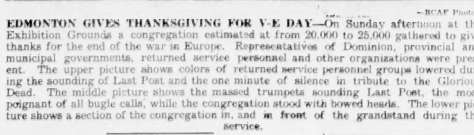

He said that in addition to flying bombs and rockets, the Germans were preparing to launch big attacks on the capital from multiple long-range artillery on the coasts of France and Holland.

Blasted Only in Nick of Time

"Only just in time did the Allied armies blast the viper in his nest," the Prime Minister said. "Otherwise, the autumn of 1944 might well have seen London as shattered as Berlin."

Mr. Churchill said in the same period the Germans had prepared a new submarine fleet and "novel tactics" which might well have carried the anti-U-boat warfare back to the high peak days of 1943.

Speaking of the United States, the Prime Minister said

EDMONTON GIVES THANKSGIVING FOR V-E DAY—On Sunday afternoon at the Exhibition Grounds a congregation estimated at from 20,000 to 25,000 got together to give thanks for the end of the war in Europe. Representative of Dominion, provincial and municipal governments, returned service personnel and other organizations were present. The upper picture shows colors of returned service personnel groups lowered during the sounding of Last Post and the one minute of silence in tribute to the Glorious Dead. The middle picture shows the massed trumpets sounding Last Post, the most poignant of all bugle calls, while the congregation stood with bowed heads. The lower picture shows a section of the congregation in, and in front of the grandstand during the service.

25,000 Edmonton Citizens Attend Thanksgiving Service

A colorful military pageant of smartly marching service personnel, triumphant martial music and wind-tossed battle banners formed an unforgettable backdrop for a V-E Day public service of humble thankfulness at the Edmonton exhibition grounds Sunday afternoon.

It was estimated that from 25,000 to 25,000 persons, including several thousand service personnel from Canadian and United States forces, attended the service. The grandstand and bleachers were jammed to capacity long before the official starting time of 3:30 p.m. Other thousands packed the space between stands and race track with hundreds more in the infield.

Premier Ernest Manning delivered the only address, the remainder of the platform program being taken up chiefly with prayers and serenade readings, by clergymen representing practically all denominations.

Mr. Hon. L. G. G. C. Bowen took the salute in a march past of military formations and war veterans to close the service.

HISTORIC TRIUMPH
The defeat of the once mighty German Reich and the liberation of so many countries from brutal events which had gone down in history as events without parallel, Premier Manning said, it should not be thought that the great triumph was accomplished by the might of arms and human sacrifice alone.

When one looked back to the dark days of the struggle it was to discern clearly the hand of Divine Providence. There was that amazing calm that settled over the English channel to make the miracle of the Dunkirk evacuation and later that mysterious decision of the German high command against an

HOLLYWOOD, May 14.—I spent all morning polishing up my tourist literature again. We're taking our show east to catch a little more in some of the camps and hospitals back there. Being an old hand in the transportation racket, and not wanting to have any trouble this time, I dropped down to see the

travellers of the OTT about getting a travel permit. Here a very busy man but as soon as I mentioned my name, doors started opening. A tall, thin fellow with a very friendly smile, he said, "I've been waiting for you to come back here but I'd decided to pull a few strings. I kept on pulling strings until the travelling of the venereal disease had no more men to let me in to see him. And what an efficient guy he was! What service I got! When said I wanted a permit, he didn't make me wait around for a lot of red tape. I didn't have to spend hours filling out a lot of papers and forms. He just came right out and said, 'No. I won't let you see the San Antonio Chamber of Commerce and told them I had to get out of town. Nothing much happened for about 10 minutes. Then the fellows came up to complain about the loud cheering. But everything turned out OK. They got a pretty good party. This time it enables me to stand in front of all my old buddies anywhere on Highway 66."

Agreement has been reached between the Alberta government, bondholders representatives for Canada and the United States and the Dominion government on a program for refunding more than \$113,000,000 of the Alberta bonded debt, according to an announcement by Premier Ernest Manning.

At the same time a statement on behalf of the bondholders was issued here by H. W. Tatlock and E. C. Hill who have been conducting conversations on the program with Premier Manning and his cabinet, and at Toronto by J. A. Mitchell, vice-chairman of the bondholders committee.

A highlight of the agreement is that the bonds on which Alberta has defaulted, or will mature prior to June 15 of this year will be paid off. This agreement is about \$2,000,000, and the bonds will be paid off at par.

In addition the agreement provides for the payment of \$5,000,000 representing adjustment of interest unpaid during the last nine years.

EFFECTIVE JUNE 1

The proposal, effective as from June 1, applies to all direct and guaranteed bonds of the province.

Lost in Blast
At Luscar Mine

Exclusive to the Edmonton Bulletin
LUSCAR, May 14.—Caught in an explosion Saturday morning, seven men are believed to have lost their lives in a Luscar coal mine. The blast, which occurred at 8:50 a.m., wrecked number five west 3 and section of the mine in which the men were working.

The accident, which is the worst in the history of coal mining on the Alberta Coal Branch, has cast a pall over the entire district.

The mine rescue team which entered the mine shortly after the blast, found the bodies of Mike Huska, 62 years old, and David Huska, 60 years old, and

Final Resistance By Nazis Crushed

From CP, AP and BTP Dispatches
ADVANCED BATTLE HEADQUARTERS, AEP, Germany, May 14.—Red Army and Yugoslav patriots wrote this to the war in Europe today when they crushed out the last ditched German resistance in southeast Europe, finally stilling the guns of war on the continent fully a week after the unconditional surrender of the Reich.

A Soviet communique received here this morning stated that the Red army had taken 1,060,000 prisoners since the unconditional surrender became effective last Tuesday night. Of these nearly 800,000 were captured in Czechoslovakia and Austria, where the Nazi troops refused to obey the surrender orders, and fought on under an order Field Marshal Schoerner and Col. Gen. Wustler. Schoerner, who has been named a war criminal by the Russians and Wustler, were not reported among the captured German, and a search is being made for them.

ARMS CAPTURED

In the last day of the round-up in Czechoslovakia and Austria the Red Army captured, in addition to the 800,000 prisoners, 1,238 planes, 1,842 tanks and 658 field guns.

The prisoners taken since the final Russian drive begin include the total of German killed or captured by the Red Army after nearly four years of war to 1,200,000, according to the Soviet press.

The Bulletin's SPORT SHOW

by Hal Dean

WITH the opening league game between Dodgers and Arrows coming up next Saturday, Edmonton's four amateur baseball clubs enter the final training stretch today. U.S. Signals, Dodgers and Arrows worked out at Redbank Park yesterday, the first two combining for their practice session.

Bob Sawyer, winner of the most valuable player award in '44, worked a couple of innings for Signals and spent the balance of the afternoon at first with Jack Culver at second, Lester Nelson at third and Jim Junger at short. Junger's timing at the plate seems to be okay again this year for he laced one over right field fence.

Ralph Morgan was very effective in the box for the Dodgers and Lester Nelson at short. Manager Bill Patterson, the new Mountie first baseman, looks good at first and appears to be a fairly hefty batsman.

Arrows turned out a smart infield with Ed Galt at first, Jack Carney at second, Bob Reid at third and Frank Tim at short. Manager Bill Patterson, the new Mountie first baseman, looks good at first and appears to be a fairly hefty batsman.

MEL OTTS PASSES GERHIG

MEL OTTS' 68th birthday went by almost unheeded by Lou Gehrig's team, but the manager still has quite a pull if he is called to overlook Leo's team-mate Babe Ruth, who collected a total of 14 four-homers during the 22 years of his regular play. Babe also had 15 more which he acquired in the various world series in which he appeared.

All but one of Gehrig's total of 284 were compiled while he was in the midst of his consecutive game streak which he

Manchester United, Bolton Reach Soccer League Final

LONDON, May 14.—(CP Cable)—Bolton Wanderers scored at 2-1 victory over Wolverhampton Wanderers and Manchester United defeated Chesterfield 1-0 Saturday to advance into the League North Cup final as the old country football season neared an end.

All four teams entered the second games of the two-game, total-goals semi-final series on an even footing following the last week's matches. Aggregate scores were 4-3 for Bolton and 2-1 for Manchester United.

Manchester, in Scotland the Rangers, traditional cup winners, added the Southern League Cup to their trophies when they defeated Northampton 2-1 in the final of the old goal in three before 70,000 spectators.

In the Scottish Northeastern, Rangers had a setback at Arbroath where they lost 2-1, a defeat strengthening the prospects of Aberdeen, who remained idle Saturday.

In the League North, Derby County strengthened its position at the top of the standing by scoring a 2-1 victory over Leicester City, while Liverpool jumped from third to second place by virtue of its 2-1 standing 7-4 victory over Oldham Athletic. Second-placed Everton, 2-0 to Ayrerion and dropped into the third place.

West Ham United moved nearer to Tottenham Hotspur by winning 2-1 over Luton. Tottenham Hotspur still has a seven-point lead.

In the North Cup semi-final Bolton fully deserved to win, though they lost their chance before the interval. It was only in the last half hour that they scored the goal with any real threat. Bolton had the better balanced team and there were few serious chances, being scored in defense and keeper in attack.

Manchester United was a little fortunate to get into the final for Chesterfield had easily as much of the play. Manchester inflicted a number of severe attacks but generally Chesterfield kept exactly how to resist them and there were few serious chances, being scored in defense and keeper in attack.

Bonura's Thrill Comes From Dad Over Telephone

Relative to The Edmonton Bulletin

NEW YORK, May 14.—(BUP)—

Baseball has produced a lot of interest for a lot of boys who have never heard of a diamond their com-

ing out of a telephone booth.

This is not a story with a spec-

ular ending, rather it's a tale with a peculiar and humorous twist at the end.

The Bonura family was proud when a baby son joined them in New Orleans.

Manning Says Refunding Plan Is Agreed Upon

Continued from Page One

with the exception of the 3 per cent debentures of the Alberta and Great Western Railway Company, which are not in default.

The \$75,000,000 of bonds maturing after June 15 will be exchanged for 3 per cent new 2 1/2 per cent serial bonds dated June 1, 1945, maturing 1961 to 1980, plus payment of \$2,750,000 representing adjustment of unpaid interest during the last nine years and adjustments of higher contract rates to the maturity or call dates of present bonds.

The plan agreed upon is much more satisfactory than the one announced in the Alberta budget of last March 9. Not only has it merited the co-operation of the Dominion government, but it cost to the province within the limits of the Alberta government's personal with respect to the initial cash payment required, annual debt service, and interest rates.

The plan meets the conditions set out in Finance Minister James March 5 when he offered Premier Ernest Manning Dominion government co-operation and assistance in the province's financial difficulties and to equalize borrowing with its bondholders.

A RECOMMENDATION
Mr. Manning has indicated he will recommend to parliament an adjustment of the Dominion-provincial tax agreement and will request a federal loan to the province for the four years prior to the coming into force of the tax agreement.

Mr. Manning has indicated he will recommend to parliament an adjustment of the Dominion-provincial tax agreement and will request a federal loan to the province for the four years prior to the coming into force of the tax agreement.

Cash to redeem matured bonds will be provided in part through sale of \$25,000,000 new serial bonds maturing 1946-1961. Interest rates ranging from two per cent to 2 1/2 per cent, tentative arrangement.

Arrangements have been made underwriting the issue. The province has appointed Norman S. Tabor of New York as agent to effect the plans and details of the refunding plan will be announced later.

Mr. Manning's statement is believed.

Agreement has been reached between the Alberta Government, representatives of the Alberta Bondholders Committee for Canada and the United States and the Dominion Minister of Finance on a program for refunding over \$125,000,000 of Alberta's bonded indebtedness. The program embodies substantial Dominion financial assistance, based on an amendment to the Tax Transfer Agreement whereby the Province will receive for the purpose of debt adjustment the aggregate of the fiscal grants and details of the refunding plan will be announced later.

DEFINITE ADVANTAGES
This new plan refunding program embodies four definite advantages to Alberta as compared with the proposal offered by the Province to its bondholders at the recent session of the Legislature.

1. Carrying the amortization and annual payment of the bondholders' Committee and the Dominion Government to successful completion is assured. It therefore, will be a complete and finished job that will place Alberta in a position to obtain new capital for economic purposes without development of the most favorable terms.

2. The cash compensation to be provided from Provincial funds under the new proposal comes within the limits set by the Province in the offer outstanding at the recent Session of the Legislature while at the same time it represents a much more satisfactory settlement from the bondholders' standpoint as a result of the Dominion Government's financial aid.

3. The annual debt service charges to be borne by the Province under the new proposal are less than those required under the program previously proposed.

4. Under the new proposal the Province will benefit by a still lower even all interest rate than the 2 1/2 per cent rate fixed by the government's previous offer. The new proposal, which makes possible a refunding plan to which all parties have been able to agree, thereby assuring a

successful refunding. Furthermore the cost of the plan is within the broad limits of the province's own plan with respect to initial cash payment, annual debt service, and overall interest rates.

The Dominion Government has indicated that it will be necessary to impose a 100 per cent tax on speculative profits made by people who have purchased bonds in recent months hoping to realize a gain in price as a result of the negotiations that were going on. In all of our meetings over the past several weeks with Premier Ernest Manning, Attorney-General, Louis M. St. Laurent, and Deputy Minister of Finance, J. P. Brien, we have been accorded a most co-operative and friendly reception. The Dominion Government has reached a mutually satisfactory solution of the outstanding problem, as we believe, completely successful.

District News In Brief

Tell How Hero Won Battlefield Honor

HANA.—Details of the action in which Pte Lloyd Blair of Hana received the Military Medal have been made public by the department of national defence. He is a son of Mr. and Mrs. Frank Blair of Hana and was serving with the 10th Canadian Infantry Regiment at the time of his receiving the decoration, fighting on the Italian front.

The text of the citation and the action in which Pte Blair received his decoration, follows: "On the morning of Sept. 20, 1944, C Company of the 10th Canadian Infantry Regiment had infiltrated into the enemy forward defense line and was advancing toward their final objective. Fifty Germans were seen on a road between the objective and a ridge 35 yards from the leading element of the 10th. The company commander gave the order to charge. Pte Blair rushed into the front of the platoon, firing his Thompson machine carbine and urging his platoon to follow. He personally accounted for three of the enemy and forced the remainder to take cover in the ditch. While

the platoon was clearing up the enemy in the ditch, Pte Blair ran across the road and engaged more enemy in some trees, a position which was causing casualties among the platoon. The advance was then continued and the objective secured.

"Later that day, Pte Blair, with a non-commissioned officer, searched houses of the company position and although it was eight hours before evacuation vehicles arrived, he refused to be moved until all other casualties had been taken to the regimental aid post. This soldier's coolness, courage, and determination, greatly assisted the securing of the company objective and very definitely affected the whole action on the battalion front."

WILLINGDON—V-E Day program was held in the school gym. Prayers, patriotic songs, and a speech by the mayor, Mr. A. Bouchey, gave an address. Willingdon Sports Association held their annual meeting when reports of member clubs were submitted and plans made for a sports jubilee May 24.

Governor-General Is Jasper Speaker

JASPER.—The following is a portion of the message delivered during Jasper's V-E Day celebration by His Excellency the Earl of Athol, governor general of Canada, who, with the Royal Highness, Princess Alice, was visiting here when news of the German surrender flashed round the world.

"Princess Alice and I am very glad to be able to join with you in this day of commemoration and of thanksgiving to Almighty God for his boundless goodness in delivering our enemy into our hands and thus bringing to an end the war on the European front. It is indeed very fitting that we should do so."

"Many of us have lost by death relations and friends in the course of this war, while others we know have been severely wounded. Our thoughts today will be with all who have grief in their hearts. I know that in spite of their grief, they will be brave and will unite with us in the general thanksgiving and rejoicing in this hour of victory, fully realizing that their dear

Peace-in-Europe Meeting Explored By 'B' 'G' 'Three'

WASHINGTON, May 14.—(AP)—Foreign Secretary Eden arranged an afternoon appointment at the White House today amid reports of a possible early "peace-in-Europe" meeting of the Big Three.

Reports from London last night said Mr. Eden was expected by diplomatic circles there to discuss with the President possible dates and the site for a meeting of Prime Minister Churchill, Premier Stalin and President Roosevelt.

There was no comment on these reports at the White House. Mr. Eden flew here en route to London from the United Nations conference at San Francisco.

Princess Pats Gather in City On Anniversary

Marking the 20th anniversary of the battle of Crete, where the Princess Patricia's Canadian Light Infantry received its baptism of fire, the PCLIC Association Saturday night staged a reunion of original members at the Macdonald hotel.

Percy Johnson, president, was chairman. He pointed out that the battle occurred on May 8, 1915, and with V-E Day 1945, also occurring on May 8, the anniversary held a special significance.

During the election period, Norman Campbell was named president. Other officers are: honorary president, Mrs. Hamilton Gault; DSO, vice-president, Andrew McCulloch; secretary-treasurer, F. M. Baker; A. McDonald, H. R. Herbert, R. W. Ellis, Horace Jones, Alfred Peart, Maj. Fred Alpert and William Ration.

Guests at the banquet included: Hon. James A. Macdonald, minister of trade and commerce; Lt. Col. George Beston, OBE, veteran of the battle; Sgt. John Jackson, Calgary; Col. Louis Scott, DCM, Ed. L. Col. William Henderson, Calgary; Maj. W. L. Oliver, MC, D. L. Col. William Henderson, Pincher Creek; Maj. J. Sinclair, Prince Albert. More than 50 veterans of the PCLIC in the last war, the new regiment and special regiments in its ranks were present.

Prior to the banquet they placed a wreath on the Cenotaph in honor of fallen comrades.

Capt. J. Harper, Province, two-time veteran of the Sicilian and Italian campaigns and Army member of the Alberta Legislature, presided, asking the help of old veterans in re-establishing veterans of the present war. Philip Galbraith of the Red Deer proposed a toast to the regiment, the speaker's theme was observed for fallen comrades.

Purebred Cattle Go Under Hammer

One of the greatest sales of purebred Shorthorn cattle was taking place at the Exhibition Grounds Monday when 34 head from the famous herd of Claude Galignier, Telford, came under the hammer.

This is the first public sale ever participated in by Mr. Galignier, who has attracted buyers from practically every state in the United States and most of Canada's provinces.

Visitors in the city for the sale travelled to Telford to visit the famous Killeen herd, and Monday evening they were scheduled to be Mr. Galignier's guests at a dinner to be held at the Macdonald hotel.

Church Members Honor Minister

Gathered as a gesture of farewell to their minister, the Rev. E. T. Straz, the congregation of Wesley United Church Friday evening honored Dr. Straz with presentations and a short program of music.

Dr. Straz has resigned as minister at the church after ten years' service and will take over the chaplaincy at the Colonel McEwen Pavilion of the University hospital. He conducted his last service at Wesley on Sunday.

Chairman of the meeting was the Rev. Dr. Joseph Woodworth, Nelson, B.C., on behalf of the congregation, presented Dr. Straz with a Victory Bond. Mrs. Straz was presented with a bouquet of flowers from the Women's Association.

Taking part in the musical program were William Smith, tenor; William Townsend, bass; Miss Joan Anderson, pianist, and singing of a number of the minister's favorite hymns. Refreshments were served by the Women's Association.

More than 150 members were present.

Brighter Weather Is Forecast Here

Little change is expected in the moderately cool weather, with the forecast predicting "Fair with fresh winds tonight and Tuesday, little change in temperature."

Citizens in the southern part of the province had another week-end of hot weather with intermittent light rain.

To Edmonton Sunday the maximum temperature was 60, and the minimum 41. The wind averaged 15 miles per hour.

The overnight low was 39 and at 6 a.m. was 37 and at 10 a.m. it was 42. The high today was 50, estimated overnight low is 42, and the high to morning 65.

A special meeting of all city council members has been called for the purpose of considering the early closing by-law. It was learned Monday the meeting, held by the By-law Amendment Association, will be held Wednesday at 8:15 p.m. in the YMCA Social hall.

18 Divisions Are Still Striving To Reach Quota

Eighteen of Northern Alberta's divisions, failed to reach their quotas by the end of the 18th day of the Eighth Victory Loan campaign. Difficult travel conditions and the two days of holiday for V-E Day celebrations are factors in this failure.

However, it is anticipated that all divisions will reach their quotas early in the week as six of the divisions have passed the 90 per cent mark. Five are well up to 80 per cent brackets and three have reached the 70 per cent mark.

Thirty-nine of the 58 divisions went over the top, many of them reaching their quotas early on Saturday. The Bentley division took the lead with 248 per cent of the initial quota attained.

Sales in rural Northern Alberta on Saturday amounted to \$20,800 to bring the total for the 18 days of the campaign to \$8,470,000 for 10.1 per cent of the \$82,000,000 quota for this territory.

COMPAGNY TOTAL

The total on the same date of the Seventh Victory Loan was \$8,800,000, or 10.1 per cent of the quota set for that loan. In the current loan up to Saturday night, the company has sold 248 per cent of the initial quota.

A considerable number of the sales have still to report on Saturday's business and it is anticipated that the company will reach the total of cash subscriptions in this loan will exceed that of the previous campaign.

Because of the loss of two days due to V-E Day celebrations it has been decided that the company will be accepted up to Saturday night, May 15.

Application for bonds can be placed through automobile banks and trust companies, and all financial houses, or through the office of National War Finance Committee located in the different divisions.

The following is a tabulation of the percentage of quota achieved by the various units in Northern Alberta up to Saturday:

Early Return Auto Building Is Predicted

Automobiles, in limited number will be rolling off the assembly lines within six months after the industry gets to green light to proceed with manufacture for civilian use, John C. McGuire, Windsor director and sales manager, Chrysler-R Plymouth-Ford division, Chrysler Corporation of Canada, stated on his arrival here in the course of a tour of Western Canada.

He said it would be at least six months before the first cars would be ready for delivery to the public, but this time might be cut down if the conversion from war to partial peacetime production is accomplished with rapidity.

McGuire said that the industry now can plan for a limited production for civilian use, and the industry was geared for a rapid transition from all out war production to a limited production for civilian use as soon as governments give the signal.

He said there would be important changes in the new cars as the industry will be able to incorporate some of the engineering discoveries made during the war period. There will be changes in the body structure also, but these changes will not be radical.

McGuire is accompanied by W. R. Whaley, Calgary, the corporate representative in Alberta. He will stop over here until Tuesday evening when he will leave for Calgary.

THE ANSWERS

THERESA WILLSON, attorney-at-law, is going to use the beaches and just lie around for two whole weeks. If my luck is good and the sun shines I don't want to move off the beach except to eat and sleep. That's my idea of heaven.

ALLAN RICHARDS, clerk: Unless travel is restricted I'd like to go to the west coast and enjoy my holidays fishing, and golfing. Otherwise I think I'll just stay here and loaf around.

BOR FRASER, salesman: I'm putting in a big garden again this year so I guess I'll put part in my vacation working on it. Summer time in Edmonton is just about the best time to be in the city of any way so I'll be quite happy to stay here.

Missing Persons Are Sought Here

Police headquarters Monday was seeking two persons for relatives. One was Louis Allen, an American, and a Vancouver woman, Mrs. Virginia Richards, and her two children.

Allen is believed to have come to Canada as a young man in 1915, to become a soldier. He was born in Oklahoma and is being sought by a sister, Mrs. Myrtle Allen, who lives in Vancouver.

Mrs. Richards left Vancouver in 1940 and is believed to be in the United States. She is believed to have been made through the coal store of an ad-joint building.
